B

Rural Youth Projects

Projects must be initiated, developed, and carried out by rural youths participating in 4-H, FFA, or similar organizations. Projects must produce enough income to meet expenses and debt repayment.

C

Recommendation by Parent and Project Advisor

If otherwise eligible, a rural youth who applies for an OL must be recommended by a project advisor, such as a 4-H club advisor, vocational teacher, home economics teacher, county extension agent, or other organizational sponsor or advisor. In addition, a youth who has not reached the age of majority under State law must obtain a written recommendation from a parent or guardian. All recommendations will be filed with the application in the borrower's case file.

Note: The project advisor and Farm Loan Manager should work closely with the youth providing technical advice and assistance.

D

Requiring Cosigners

A cosigner will be required only if it has been determined that the applicant cannot possibly meet the repayment or security requirements for the loan request.

Note: When a plan is feasible using realistic figures, a cosigner will not be required.

E

Loan Limitations

A youth loan will not be approved if the total outstanding loan principal balance will exceed \$5,000 at loan closing.
